March 6, 1945

*meeting of the*

The Mayor and Common Council was called to order by Mayor Van Moreland at 8:10 p.m. in the Fire House, with Councilmen Roberts, Wells, Fominaya and Cleary present. Councilman Robertson was absent.

The minutes of the last meeting were read and approved as read. All current bills were ordered paid including treasurer's salary, bailiffs salary, counsel salary for December, January and February and \$324 for 56 loads of gravel from Wm. Jones, used for street work.

Counsel Charles F. McKay, Jr. reported to the Council on the introduction of two bills to the legislature; one for the annexation of the 55 acres of the Gregory Farm recently purchased by the Seat Pleasant Real Estate Corp. and the other for rewording the taxing clause in the town charter. Mr. McKay reported the legislature is willing to sponsor a bill for the exclusion of the new apartment project which is being constructed along Eastern Ave. in this town. Councilman Cleary made the motion that Mr. McKay be instructed to seek the passage of such a bill. His motion was seconded by Councilman Fominaya. After considerable discussion both pro and con with Councilman Cleary leading the discussion favoring the exclusion of this area from the incorporation, the Council finally voted on a roll call vote in favor of it. Councilman Cleary, Wells and Fominaya voted in favor of the exclusion with Councilman Roberts not voting. The clerk was instructed to draft a letter to the Prince Georges County Delegation informing them of their action.

William K. Cooper, executive secretary of the Prince Georges County YMCA, was present at the meeting. The meeting adjourned at 10:19.
